BLEEDERS AND FUROSEMIDE (Lasix) PROGRAM

(a) Diagnosis of EIPH (a bleeder).

(1) A bleeder is a horse that experiences Exercise Induced Pulmonary Hemorrhage (EIPH). Except as otherwise provided by this subsection, the medical diagnosis of EIPH may be made only by a commission veterinarian or a veterinarian currently licensed by the Commission. If the first EIPH event experienced by a horse occurs in another pari-mutuel racing jurisdiction, certification of the horse as a bleeder by that foreign jurisdiction will also constitute a first report of a diagnosed EIPH event for purposes of this section. A veterinarian who diagnoses an

EIPH event in a horse participating in pari-mutuel racing in this state shall report the event to the commission veterinarian in a format prescribed by the executive secretary. On receipt of the first report of a diagnosed EIPH event for a horse, the commission veterinarian shall certify the horse as a bleeder. (2) A trainer may request that a commission veterinarian reconsider the commission veterinarian's diagnosis of an EIPH event by presenting the horse for re-examination within four hours of the initial diagnosis, or within one hour after a performance's last race, whichever occurs sooner. To receive reconsideration, the trainer must present the horse to the commission veterinarian for endoscopic examination as performed by a commission-licensed veterinarian.

(b) Admission to Furosemide Program.

(1) A trainer may admit a horse to the furosemide program by stating at time of entry that the horse will compete with furosemide. (2) A horse that competed with furosemide in its most recent start out-of-state must compete on furosemide in Texas unless withdrawn from the furosemide program at time of entry. (3) The voluntary administration of furosemide without an external bleeding incident shall not subject the horse to an initial period of ineligibility under subsection (g) of this section.

(c) Administration of Furosemide.

Furosemide shall be administered to a horse in the furosemide program not later than four hours before the published post time for the race the horse is entered to run. The furosemide must be administered intravenously by a veterinarian licensed by the Commission. The executive secretary shall periodically publish the permissible blood levels of furosemide in post-race specimens and shall post the levels at each licensed racetrack.

(d) Requirement to Use Furosemide.

A horse in the furosemide program in Texas must compete with furosemide until withdrawn from the program.

(e) Withdrawal from Furosemide Program.

(1) To withdraw a horse from the furosemide program, the trainer must state his/her intention to race the horse without furosemide at the time of entry.

(2) A horse in the furosemide program that competes out-of-state without furosemide is considered to have been removed from the Texas furosemide program effective the date of its first race without furosemide.

(3) Withdrawal from the furosemide program does not prohibit a horse from subsequent readmission to the program in accordance with this section.

(f) Readmission to the Furosemide Program.

A horse may be readmitted to the furosemide program if:

- (1) at least 60 days have elapsed since the horse was withdrawn from the program.
- (2) the horse is required to compete with furosemide pursuant to subsection (b)(2) of this section; or
- (3) the commission veterinarian diagnoses the horse with another EIPH event.

(g) Bleeders List.

(1) The commission veterinarian shall maintain a list of horses that have been certified as bleeders and a list of horses that have been admitted to the furosemide program.

(2) On receipt of a report of a diagnosed EIPH event, the commission veterinarian shall place the horse on the veterinarian's list and the horse shall be ineligible to race for the following time periods:

(A) First incident - 12 days.

(B) Second incident within 365 days of previous incident - 30 days.

(C) Third incident within 365 days of previous incident - 180 days.

(D) Fourth incident within 365 days of previous incident - lifetime ban from racing in this state.

(3) A horse with fewer than four EIPH events that has not had a diagnosed EIPH event for a period of 365 consecutive days is considered a non-bleeder for purposes of this subsection. The report of a diagnosed EIPH event from any pari-mutuel jurisdiction which officially records EIPH events will be recognized as an EIPH event by the Commission.

(4) Notwithstanding the foregoing, if after reviewing a report of a diagnosed EIPH event the commission veterinarian determines additional days on the veterinarian's list are essential to the health and safety of the horse, the commission veterinarian may extend the number of days the horse is on the veterinarian's list. The commission veterinarian shall record the medical reasons for the additional days.

(h) Report by Veterinarian.

A veterinarian who administers furosemide to a horse that has been admitted to the furosemide program shall report the administration on a form prescribed by the Commission. A report made under this subsection must be filed with the test barn supervisor not later than one hour before post time for the first race of that day.

3. All horses registering after June 20, 2023, at 12:00 PM through June 29, 2023, will receive a preference date of E1. Horses registering papers after June 29, 2023, will receive an "E" date corresponding to the race day that the papers are submitted to the Racing Office. Foal papers which arrive on a dark day will be assigned the next upcoming race day.

4. Horses that run will receive a running "R" date of the same day and lose any date previously held. This excludes Stakes in which they will retain their previous date.
5. Any horse that scratches off the program will receive a scratch "S" date and lose any date previously held. Horses placed on the Veterinarian list or Steward's list will receive a scratch "S" date corresponding to the day they come off the list. If a horse comes off the list on a dark day the next racing day will be used.

In ALL other race types, the date will revert back to the Zero "0" date.
8. Horses which have established a date at the current meeting will lose that preference date should they race elsewhere and will receive a date when their papers are received back in the office.
9. In no way does claiming, owner transfer, trainer transfer of a horse affect the preference date.
10. Registration papers removed from racing office by the owner or trainer will cause a horse to lose its date, unless for good cause (corrections, breeders stamp, transfer, etc....) but must be done by our racing office staff.
11. In any overnight race regardless of conditions and dates, an 'in today' horse is always least preferred and the second part of an entry (by owner or trainer) cannot enter to the exclusion of a single interest. Though the second part of an entry is preferred over an 'in today' horse. The horse with the best date will be preferred when an owner or trainer has an entry in a race.
12. Date preference will not supersede condition eligibility preference either but will be used after rule #11 has been applied if necessary.
13. Horses with dates established which re-enter but do not get in, will keep the date previously established.
14. Any omissions, discrepancies, errors, etc. must be lodged prior to the drawing of entries for that day.
15. In all matters, the Steward's ruling is final.

Horses running for a claiming price will be given second preference by number of allowance wins. In all lifetime conditions, horses eligible to the condition will be preferred, i.e., a non-winner of two races entering into a non-winner of three races will be given second preference behind a non-winner of three races.

CLAIMING RULES

RULE §313.301- ELIGIBILITY TO CLAIM

(a) Except as otherwise provided by this section, in a claiming race, each horse is subject to be claimed for its entered price by:

(1) a licensed owner or lessee or an authorized agent acting on behalf of the owner or lessee; or

(2) a person who has applied for an owner's license and has been granted approval by the stewards to make a claim.

(b) A claim may not be made directly or indirectly by an owner for his or her own horse.

(c) If the person making a claim is a minor, the claim must be co-signed by a licensed adult parent or guardian of the minor. A parent or guardian who co-signs a claim is liable for the claim. A claim made by a minor that is not co-signed in accordance with this subsection is invalid.

RULE §313.302- CLAIM PROCEDURE

(a) A steward or a designee of the stewards shall supervise the making of claims and ensure the accuracy of all claims made in a race.

(b) A claim must be made in writing on forms and in envelopes approved by the executive secretary. The form and envelope must be filled out completely and must be accurate in every detail. For purposes of this section, the name of the horse as it appears in the official program governs.

(c) The person making a claim is responsible for determining the sex of the horse.

(d) A claim must be time stamped with the official track time shown on the tote board and deposited in a locked box provided by the racing secretary not later than 15 minutes before post time of the race in which the horse being claimed is to start. A person may not place money or its equivalent in the claim box.

(e) Before the deadline for filing claims for a race, a person may not:

(1) Open the box in which claims are deposited; or

(2) Reveal information regarding the filing of a claim.

(f) After the deadline for filing claims for a race, a steward or a designee of the stewards shall open the box, examine the claims, and notify the stewards of all accurate claims. The steward or designee will then notify the horsemen's bookkeeper of the claims to determine whether the appropriate amount is on deposit with the bookkeeper in accordance with this subchapter and to debit the claimant's account for the amount of the claim, plus all applicable fees. If more than one person enters a claim for a horse, a steward or a designee of the stewards shall determine the disposition of the horse by lot.

RULE §313.303

(a) A person who has a valid claim to a horse becomes the owner of the horse when the horse steps on to the racetrack for the race. This subsection applies regardless of whether the horse reaches the starting gate and regardless of subsequent injury to the horse during or after the race.

(b) On the day claimed, a claimed horse runs in the interest of and for the account of the owner from whom the horse was claimed.

RULE §313.304

(a) Except as otherwise provided by this section, a claim that is filed in accordance with this subchapter is irrevocable.

(b) If the stewards declare a claiming race a "no race," all claims for that race are invalid.

RULE §313.305

(a) To make a valid claim, a person must have on deposit with the horsemen's bookkeeper an amount equal to the amount of the claim, plus all transfer fees, in the form of cash, money order, certified check, or cashier's check.

(b) A person who files a claim may not exhaust the person's account with the horsemen's bookkeeper during the two-hour period after the claim was filed.

RULE §313.306

(a) A horse that has been claimed in a claiming race shall be taken after the race to the area designated by the association for delivery to the claimant, unless the horse is designated for testing.

(b) A person may not refuse to deliver a claimed horse.

(c) The registration certificate of a claimed horse, and both certificates of a dually registered claimed horse, shall transfer to the successful claimant.

(d) The engagements of a claimed horse automatically transfer to the new owner. A claimed horse is ineligible for entry in a future race unless the entry is made on behalf of the new owner.

(e) A horse may not be delivered to a successful claimant without written authorization from a steward or a designee of the stewards.

RULE §313.307

The trainer losing a horse through a claim is nevertheless responsible for the results of any drug tests performed on specimens obtained from the horse. The trainer is responsible for the horse during the testing procedures and may not deliver the horse to the successful claimant in the test barn until the commission veterinarian informs the trainer or representative that all testing procedures are complete.

RULE §313.308

(a) A horse claimed in a claiming race in Texas:

(1) may not be sold or transferred, in whole or part, by any method other than a claiming race during the 30-day period after the initial claim; and

(2) is ineligible to start in a race at a race meeting other than the one at which it was claimed until the end of the race meeting at which the horse was claimed, except in a stakes race after verification by the stewards.

(b) A horse claimed in another state is subject to the eligibility requirements for claimed horses in effect at the time of the claim in the jurisdiction in which the horse was claimed.

RULE §313.310 Claiming Races

(a) A horse that is claimed may not remain in the care or custody of the owner or trainer from whom the horse was claimed.

(b) A person may not claim more than one horse in a race nor submit more than one claim for a race. An authorized agent may not submit more than one claim in a race, regardless of the number of persons the agent represents. A trainer may not be listed as the trainer for a claimant on more than one claim in the same race.

(c) A person may not offer or agree to claim or refrain from claiming a horse. A person may not prevent or attempt to prevent another person from claiming a horse.

(d) A person may not prevent or attempt to prevent a horse from racing in a claiming race for the purpose of avoiding a claim.

(e) A person shall not claim a horse in which the person has a financial or beneficial interest as an owner or trainer.

(f) A person shall not cause another person to claim a horse for the purpose of obtaining or retaining an undisclosed financial or beneficial interest in the horse.

(g) A person shall not claim a horse, or enter into any agreement to have a horse claimed, on behalf of an ineligible or undisclosed person.

It is a criminal offense to transfer ownership of a horse

(by Bill of Sale or Claim) without a current negative Coggins.

OWNER'S SILK & FOAL PAPERS

All owners must furnish their own silks. At the conclusion of the meet, please arrange for your foal papers and/or silks to be picked up. Retama Park Race Park will not be responsible for any items not collected seven (7) days after the meet.

STATE VETERINARY EXAMS & NOTES

Pre-race exams for horses stabled on the grounds to be conducted starting at 9:00 am. Pre-race exams for all ship-in horses in the receiving barn to be conducted beginning at 10:30 am. All ship-in horses on the Texas Lasix program should be on the grounds at least five (5) hours prior to the post time of their scheduled race.

Beginning with the 2023 RET QH meet the minimum number of days a horse is on the Texas Vet List for a medical illness or non-race injury will increase from 4 days to 7 days. Day 1 is the day the horse goes on the TXRC Vet's List; Day 7 is the day the horse automatically comes off the Texas Vet List. **Day 8 is the first day eligible to race.** Also beginning with the 2023 RET QH meet trainers will be required to wrap all lip chains with leather or a heavy tape wrap. Any parts of the chain that contacts the horse's gums or corners of the mouth cannot be bare chain. Lip chains must be attached so that the horse has some relief from constant chain pressure.

All Vet List timed works or exams required for race entry must be scheduled 2-3 days in advance by contacting the Chief State Veterinarian, Dr. Steve Bond at 512-529-1546.

ACCREDITED TEXAS-BRED PROGRAM

If an Accredited Texas-Bred runs first, second or third in any race (other than a Stakes restricted to Accredited Texas-Breds) during the Retama Park meet, the owner will receive an owner incentive award through the Accredited Texas-Bred Program.

Accredited Texas-Bred owner incentives will be paid by the Texas Quarter Horse Association at the end of the meet. That means Accredited Texas Breds run for more money than horses foaled in other states that are running in the same race.

Incentive awards are distributed 50% to first, 30% to second and 20% to third. Additional ATB awards for breeder and stallion owners are paid at the end of the meet through the office of the Texas Quarter Horse Association.

For more information on the Accredited Texas Bred Program contact the TQHA at 1-800-945-6157 or
