Exercise riders can be asked to jog a questionable horse on the walking path after exercise to confirm a lameness seen on the track. Horses lame after morning training will be identified and placed on the Vet List if appropriate. Any horse that works out for an official time can have blood samples collected post workout.

### **Rule §319.111**

Bleeders and Furosemide Program

(a) Diagnosis of EIPH.

(1) A bleeder is a horse that experiences Exercise Induced Pulmonary Hemorrhage (EIPH). Except as otherwise provided by this subsection, the medical diagnosis of EIPH may be made only by a commission veterinarian or a veterinarian currently licensed by the Commission. If the first EIPH event experienced by a horse occurs in another pari-mutuel racing jurisdiction, certification of the horse as a bleeder by that foreign jurisdiction will also constitute a first report of a diagnosed EIPH event for purposes of this section. A veterinarian who diagnoses an EIPH event in a horse participating in pari-mutuel racing in this state shall report the event to the commission veterinarian in a format prescribed by the executive director. On receipt of the first report of a diagnosed EIPH event for a horse, the commission veterinarian shall certify the horse as a bleeder.

(2) A trainer may request that a commission veterinarian reconsider the commission veterinarian's diagnosis of an EIPH event by presenting the horse for re-examination within four hours of the initial diagnosis, or within one hour after a performance's last race, whichever occurs sooner. To receive reconsideration, the trainer must present the horse to the commission veterinarian for endoscopic examination as performed by a commission-licensed veterinarian.

(b) Admission to Furosemide Program.

- (1) A trainer may admit a horse to the furosemide program by stating at time of entry that the horse will compete with furosemide.
- (2) A horse that competed with furosemide in its most recent start out-of-state must compete on furosemide in Texas unless withdrawn from the furosemide program at time of entry.
- (3) The voluntary administration of furosemide without an external bleeding incident shall not subject the horse to an initial period of ineligibility under subsection (g) of this section.
- (c) Administration of Furosemide. Furosemide shall be administered to a horse in the furosemide program not later than four hours before the published post time for the race the horse is entered to run. The furosemide must be administered intravenously by a veterinarian licensed by the Commission. The executive director shall periodically publish the permissible blood levels of furosemide in post-race specimens and shall post the levels at each licensed racetrack.
- (d) Requirement to Use Furosemide. A horse in the furosemide program in Texas must compete with furosemide until withdrawn from the program.
- (e) Withdrawal from Furosemide Program.
  - (1) To withdraw a horse from the furosemide program, the trainer must state his/her intention to race the horse without furosemide at the time of entry.
  - (2) A horse in the furosemide program that competes out-of-state without furosemide as a condition of the race is considered to have been removed from the Texas furosemide program effective the date of its first race without furosemide.
  - (3) Withdrawal from the furosemide program does not prohibit a horse from subsequent readmission to the program in accordance with this section.
- (f) Readmission to the Furosemide Program. A horse may be readmitted to the furosemide program if:
  - (1) at least 30 days have elapsed prior to the subsequent day of intended race since the horse was voluntarily withdrawn from the program as described in subsection (e)(1) of this section;
  - (2) the horse is required to compete with furosemide pursuant to subsection (b)(2) of this section;
  - (3) a commission veterinarian, association veterinarian, or practicing veterinarian diagnoses the horse with another EIPH event within 4 hours of official works, recorded timed works, or live race; or
  - (4) at least 14 days have elapsed since the horse competed out of state without furosemide under subsection (e)(2) of this section.
- (g) Bleeders List.
  - (1) The commission veterinarian shall maintain a list of horses that have been certified as bleeders and a list of horses that have been admitted to the furosemide program.
  - (2) On receipt of a report of a diagnosed EIPH event, the commission veterinarian shall place the horse on the veterinarian's list and the horse shall be ineligible to race for the following time periods:
    - (A) First incident- 14 days;
    - (B) Second incident within 365 days of previous incident - 30 days;
    - (C) Third incident within 365 days of previous incident - 180 days;
    - (D) Fourth incident within 365 days of previous incident - lifetime ban from racing in this state.
  - (3) A horse with fewer than four EIPH events that has not had a diagnosed EIPH event for a period of 365 consecutive days is considered a non-bleeder for purposes of this subsection. The report of a diagnosed EIPH event from

any pari-mutuel jurisdiction which officially records EIPH events will be recognized as an EIPH event by the Commission.

(4) Notwithstanding the foregoing, if after reviewing a report of a diagnosed EIPH event the commission veterinarian determines additional days on the veterinarian's list are essential to the health and safety of the horse, the commission veterinarian may extend the number of days the horse is on the veterinarian's list. The commission veterinarian shall record the medical reasons for the additional days.

(h) Report by Veterinarian. A veterinarian who administers furosemide to a horse that has been admitted to the furosemide program shall report the administration on a form prescribed by the Commission. A report made under this subsection must be filed with the test barn supervisor not later than one hour before post time for the first race of that day.

7. Any QH Maiden with a Zero date that is excluded at the "counter" from any "Maiden Allowance" race will receive a "01" date. If an "01" date is excluded at the "counter" will receive an "02" date and so on. A 01 or 02 will be preferred over a 0. In all other race types the date will revert back to the Zero.
8. In no way does claiming, owner transfer, trainer transfer of a horse affect the preference date.
9. Registration papers removed from the racing office by the owner or trainer will cause a horse to lose its date, unless for good cause (corrections, breeders stamp, transfer, Stakes, Trials, etc....) but must be done by our racing office staff. If being checked out for trials or Stakes, the trainer must have approval from the Racing Secretary to receive the horses date back after said trial or stake.
10. Date preference will not supersede condition eligibility. Horses that meet the conditions of a race are preferred over Horses that do not.
11. In any overnight race regardless of preference dates, an 'in today' horse is always least preferred, and the second part of an entry (by owner or trainer) cannot enter to the exclusion of a single interest after condition eligibility is applied. Though the second part of an entry is preferred over an 'in today' horse. The horse with the best date will be preferred when an owner or trainer have an entry in a race.
12. A horse who is eligible to start (has all works, is verified, has up do date paperwork, ect.) is preferred over a horse that is not. Among the not preferred, a horse that needs one thing to get eligible is preferred over a horse that needs two, ect.
13. Horses with dates established which re-enter but does not get in, will keep the date previously established

14. In all lifetime condition races, winners are preferred over preference dates.
15. Date preference will not supersede condition eligibility preference.
16. Any horses with three (3) or more wins are considered "multiple winners". In all races where multiple winners are preferred, all horses with three (3) or more wins are considered equal in preference with next preference by dates unless specified otherwise in the conditions of the race.
17. In all open conditions, including starter allowances, dated allowances, and beaten conditions, multiple winners will be preferred over horses with Lifetime condition eligibility (i.e.NW2, NW3).
18. Any omissions, discrepancies, errors, etc. must be lodged prior to the drawing of entries for that day.
19. All statistics are the official statistics provided by Equibase.
20. In all matters, the Steward's ruling is final.

## **CLAIMING RULES**

### **RULE §313.301- ELIGIBILITY TO CLAIM**

(a) Except as otherwise provided by this section, in a claiming race, each horse is subject to be claimed for its entered price by:

(1) a licensed owner or lessee or an authorized agent acting on behalf of the owner or lessee; or

(2) a person who has applied for an owner's license and has been granted approval by the stewards to make a claim.

(b) A claim may not be made directly or indirectly by an owner for his or her own horse.

(c) If the person making a claim is a minor, the claim must be co-signed by a licensed adult parent or guardian of the minor. A parent or guardian who co-signs a claim is liable for the claim. A claim made by a minor that is not co-signed in accordance with this subsection is invalid.

### **RULE §313.302- CLAIM PROCEDURE**

a) A steward or a designee of the stewards shall supervise the making of claims and ensure the accuracy of all claims made in a race.

(b) A claim must be made in writing on forms and in envelopes approved by the executive secretary. The form and envelope must be filled out completely and must be accurate in every detail. For purposes of this section, the name of the horse as it appears in the official program governs.

(c) The person making a claim is responsible for determining the sex of the horse.

(d) A claim must be time stamped with the official track time shown on the tote board and deposited in a locked box provided by the racing secretary not later than 15 minutes before post time of the race in which the horse being claimed is to start. A person may not place money or its equivalent in the claim box.

(e) Before the deadline for filing claims for a race, a person may not:

(1) Open the box in which claims are deposited; or

(2) Reveal information regarding the filing of a claim.

(f) After the deadline for filing claims for a race, a steward or a designee of the stewards shall open the box, examine the claims, and notify the stewards of all accurate claims. The steward or designee will then notify the horsemen's bookkeeper of the claims to determine whether the appropriate amount is on deposit with the bookkeeper in accordance with this subchapter and to debit the claimant's account for the amount of the claim, plus all applicable fees. If more than one person enters a claim for a horse, a steward or a designee of the stewards shall determine the disposition of the horse by lot.

### **Rule §313.303**

#### **Effective Time of Claim**

a) A person who has a valid claim to a horse becomes the owner of the horse when the horse steps on to the racetrack for the race. A claim shall be voided and ownership of the horse retained by the original owner if:

(1) the horse dies on the racetrack or is euthanized by a Commission Veterinarian before leaving the racetrack, either on the race surface or in the equine ambulance.

(2) the horse has a musculoskeletal injury that requires loading in the equine ambulance for safe removal from the track. This claim is only voided after

proper Veterinary examination of injury and the on duty Commission Veterinarian is contacted and approves of euthanasia. Horses euthanized without Veterinarian examination and notification to the attending Commission Veterinarian will not be entitled to a voided claim.

(b) Horses vanned off the track for medical conditions (including but not limited to EIPH, Myositis, heat stress, extreme exhaustion) will not be treated as a voided claim.

(c) On the day claimed, a claimed horse runs in the interest of and for the account of the owner from whom the horse was claimed.

#### **RULE §313.304**

(a) Except as otherwise provided by this section, a claim that is filed in accordance with this subchapter is irrevocable.

(b) If the stewards declare a claiming race a "no race," all claims for that race are invalid.

#### **RULE §313.305**

(a) To make a valid claim, a person must have on deposit with the horsemen's bookkeeper an amount equal to the amount of the claim, plus all transfer fees, in the form of cash, money order, certified check, or cashier's check.

(b) A person who files a claim may not exhaust the person's account with the horsemen's bookkeeper during the two-hour period after the claim was filed.

#### **RULE §313.306**

(a) A horse that has been claimed in a claiming race shall be taken after the race to the area designated by the association for delivery to the claimant, unless the horse is designated for testing.

(b) A person may not refuse to deliver a claimed horse.

(c) The registration certificate of a claimed horse, and both certificates of a dually registered claimed horse, shall transfer to the successful claimant.

(d) The engagements of a claimed horse automatically transfer to the new owner. A claimed horse is ineligible for entry in a future race unless the entry is made on behalf of the new owner.

(e) A horse may not be delivered to a successful claimant without written authorization from a steward or a designee of the stewards.

*It is a criminal offense to transfer ownership of a horse  
(by Bill of Sale or Claim) without a current negative Coggins.*

### **THE HORSEMEN'S BOOKKEEPER, INC.**

In the State of Texas, the horsemen's bookkeeping system is centralized by the Texas Horsemen's Partnership, in order to *better serve the horsemen running at the numerous tracks throughout the state*. It is now similar to branch banking. This means that any necessary account maintenance can be done from any racetrack running a live meet in the state and through the Texas Horsemen's Partnership's main office in Austin year-round.

### **Horsemen's Bookkeeper Requirements**

Prior to starting a race an owner must have on deposit with the Horsemen's Bookkeeper the amount required to cover all costs incurred in starting that horse.

Prior to putting in a claim for a horse the owner or their Designated Representative must ensure that all funds incurred with claiming a horse are on deposit in said account.

## **ACCREDITED TEXAS-BRED PROGRAM**

If an Accredited Texas-Bred runs first, second or third in any race (other than a Stakes restricted to Accredited Texas-Breds) during the Sam Houston meet, the owner will receive an owner incentive award through the Accredited Texas-Bred Program.

Accredited Texas-Bred owner incentives will be paid by the Texas Quarter Horse Association at the end of the meet. That means Accredited Texas Breds run for more money than horses foaled in other states that are running in the same race.

Incentive awards are distributed 50% to first, 30% to second and 20% to third. Additional ATB awards for breeder and stallion owners are paid at the end of the meet through the office of the Texas Quarter Horse Association.

For more information on the Accredited Texas Bred Program contact the TQHA at 1-800-945-6157 or 512-458-5202 or by fax at 512-458-1713.
